Note: O.C.G.A. § 50-18-72 (21), provides "Records concerning public employees that reveal the public employee's home address, home telephone number, day and month of birth, social security number, insurance or medical information, mother's birth name, credit card information, debit card information, bank account information, account number, utility account number, password used to access his or her account, financial data or information other than compensation by a government agency, unlisted telephone number if so designated in a public record, and the identity of the public employee's immediate family members or dependents. This paragraph shall not apply to public records that do not specifically identify public employees or their jobs, titles, or offices. For the purposes of this paragraph, the term "public employee" means any officer, employee, or former employee of: (A)The State of Georgia or its agencies, departments, or commissions; (B) Any county or municipality or its agencies, departments, or commissions; (C) Other political subdivisions of this state; (D) Teachers in public and charter schools and nonpublic schools; or (E) Early care and education programs administered through the Department of Early Care and Learning." Per O.C.G.A. § 50-18-72, certain types of documents are not open for public inspection or copying. These exceptions must be read narrowly and the requirements of openness otherwise read broadly. This form is intended to document your request to prevent the Mcintosh County Board of Assessors' ONLY from making certain property records' information public when same is not required by law. This does not prevent certain property records from appearing on other websites.
